Job Title: Vegetation Management Coordinator

Employer: Northern Sunrise County

1. Identify the sector you would be representing:

- Government of Alberta
- Other Government (Indigenous, federal, municipal etc.)
- Industry
- Other (including individuals, academia, research, non-government organizations)

2. Describe your professional, volunteer and/or work experience, and describe how it relates to our work.

I have been working in the Ag industry varying from farm worker to contract work to Ag service industry to Municipal Ag Services Department over a span of 35 years. Having that experience has taught me how to manage teams, vegetation, and programs while attempting to raise awareness and educate the public on Agricultural issues and concerns.

3. What skills, experience or perspectives would be of particular value to the Alberta Invasive Species Council.

I have 35 years of experience sitting on numerous boards and committees as director, secretary, treasurer, chair, vice president, and president. Also sit on the AAAF Pest Committee since 2011. As AAAF President, I sit as Ex officio on AAAF committees.

4. Describe any relevant experience you have involving non-profit Boards, charities, community groups, professional associations, etc.

Association of Alberta Agricultural Fieldman (AAAF), Peace River Ag Society, Peace Region AAAF, Willingdon Ag Society, Agricultural Service Board Provincial Committee, Toastmasters, IST and ASB Hosting Committee, and junior volunteer community group (Junior Optimist)

5. Tell us why you want to serve on our Board?

To give back to the board that I relied on for information distributed to our producers. The cost benefit ratio shows prevention is less costly than control or eradication. Extension, education, and prevention are crucial activities to assure environment, industry, and public well being.

6. Other relevant background or information.

If elected to the AISC Board of Directors, I will adhere to the AISC's Code of Conduct Policy.
