AISC's 14th Annual Conference
March 3-4, 2027

Call for Poster Abstracts

Are you interested in presenting at the Alberta Invasive Species Council's (AISC) 13th Annual Conference and 20th Anniversary Celebration? Perhaps you have an invasive species success story, or a new tool or method that you are utilizing that has changed the way you work. Or maybe you have research findings that you could share with our audience?

Showcase your invasive species work, projects or research in person at the AISC's Annual Conference & AGM and network with like-minded professionals from near and far! This opportunity is open to students, researchers, professors, contractors, invasive species practitioners and other stakeholders with invasive information pertaining to invasive species research and management in Alberta.

Poster presenters will have 30 minutes during defined poster session for more informal conversation during breaks. To submit an abstract, send the following by **January 15, 2027** to communications@abinvasives.ca with the subject line **2027 Poster Abstract Submission.**

1. **Title**: Titles should be in title case (the first letter of most words capitalized).
2. **Authors**: Names and affiliations of all authors should be included. The presenting author's name should be underlined.
3. **Abstract**: Abstracts should not exceed 250 words. Please provide a brief overview of the topic to be covered.

Accepted poster presenters will receive 50% off conference registration. Conference registration opens on January 4, 2027.

Please direct any questions to communications@abinvasives.ca or 587 999 0954.
